

Schools & Education

The Scottsbluff and Gering Public School Districts located in western Nebraska, offer a comprehensive education to students in kindergarten through twelfth grade, as well as others with special needs. Our districts currently consist of 11 elementary schools, 2 junior high/middle schools, and 2 high schools. Western Nebraska Community College offers more than 80 technical, vocational, business and liberal arts degrees and certificate programs preparing students for immediate employment or for transfer to a 4 year college or university. The state-of-the-art Harms Advanced Technology Center of Nebraska serves the business and professional community, offering training to those of all ages. The distance learning programs are also unique to Nebraska with sophisticated learning available to high school students from statewide colleges and universities.
